This mine is not listed as a new mine in 1914, and it may have been in operation prior to that time. The mine is not listed as closed in 1917; however, no listings were noted for the mine following 1917. Leonard et al. (1925) do mention a Nelson Mine at this legal location; however, the reference does not clearly indicate whether or not the mine was operating in about 1925.
