Basic Data (excerpted from primary sources):

This mine is listed as a new mine in 1931. The mine was operated and reported continuously from 1931 through 1940. No listings were noted following 1940; however, the mine is not listed as closed or not operating in 1940. It is not known if the mine ceased operations following 1940, if the mine was operated but not reported, or if the mine was operated and reported under another name.

Descriptive information pertaining to this mine is included in:

[source:year(pages)]

None

Notes:

Harrington (1934, 1936) indicates that this mine was located at T159N, R99W, Section 23; however, Harrington (1934, 1936) does not provide a part section. Therefore, it is not known if this mine was located at this Planning Unit and AML location (T159N, R99W, Section 23, SE, NE), or if it was situated in some other portion of Section 23.

IT SHOULD BE NOTED that this Planning Unit, AML location, and mine are not situated in Mountrail County; rather, they are situated in Williams County. Sources that contain information about this mine include it with Williams County listings. Since the AML printout included this location with the Mountrail County listings, however, information about the location has been included with Mountrail County information.
