Notes:

NDCRS site 32SK68 and site 32SK69 refer to a number of mine names and include a number of legal locations. All legal locations included with site 32SK68 may include the Husky Briquetting, Inc. mine (T139N, R95W, Section 8 SW and Section 8, SE, NW, W1/2, T139N, R95W, Section 17, NW, N1/2). The legal locations included with site 32SK69 that may include the Husky Briquetting, Inc. mine are: T139N, R95W, Section 17, NW, Section 17, SW, NW, and Section 17, SW, NE, N1/2. More definite determinations about which portions of the legal locations included on these site forms could not be made, since the only source that related the Husky Briquetting, Inc. mine with these legal locations (NDPSC 1973) does not include part sections; rather, it indicates that the Husky mine had 40 acres under permit in T139N, R95W, Section 8 and Section 17.
