Basic Data (excerpted from primary sources):

This mine is listed as a new mine in 1934. The mine was operated and reported from 1934 through 1936. The 1937 CMID indicates that a new slope' had been or was being developed; however, no listings were noted for this mine following 1937. It is not known if the mine ceased to be operated, if the mine was operated but not reported, or if the mine was operated and reported under some other name following 1937.

Descriptive information pertaining to this mine is included in:

[source:year(pages)]

None

Notes:

The Smith Dry Coal Mine also is located at this Planning Unit and AML location.
