Basic Data (excerpted from primary sources):

This mine is not listed as a new mine in 1934, and it may have been in operation prior to that time. The mine was operated and reported continuously from 1934 through 1937, when the mine is listed "not operating"; however, a listing was noted for the mine in the 1938 CMID. No listings were noted following the 1938 listing; it is not known if the mine ceased to be operated, if it was operated and not reported, or if it was operated and reported under some other name following 1938.

Descriptive information pertaining to this mine is included in:
