Basic Data (excerpted from primary sources):

This mine is not listed as a new mine in 1923, and it may have been in operation prior to that time. The mine was operated and reported from 1923 through 1927; the 1927 CMID indicates that mine operators were robbing back. The mine continued to be operated and reported from 1928 through 1932; the 1933 CMID lists the mine, but no production figures are provided. The mine was operated and reported again in 1934; the 1935 CMID lists the mine, but no production figures are provided. The mine was operated and reported again from 1936 through 1938; no listings were noted following 1938. It is not known if the mine ceased to be operated following 1938, if the mine was operated but not reported, or if the mine was operated and reported under some other name following 1938.
