Basic Data (excerpted from primary sources):

This mine is not listed as a new mine in 1934; however, it is listed as a new mine in 1935. It is not known if this indicates that a new slope (entrance) was driven in 1935, or if a new area was being mined. The mine is listed as not operating in 1936, and no further listings were noted. It is not clear if this mine no longer operated following 1936, or if new operations were not reported.

Descriptive information pertaining to this mine is included in:

[source:year(pages)]

None

Notes:

The source which associated this mine with this Planning Unit and AML location (Harrington 1934a) did not provide a part section. Therefore, it is not known if this mine was located at the Planning Unit and AML location (i.e., Section 34, SE, NE), or if it was located in some other portion of Section 34.
