Basic Data (excerpted from primary sources):

This mine is listed as a new mine in 1937. The mine was operated and reported continuously from 1938 through 1941, when the mine is listed as not operating. No listings were noted for the mine following 1941, and it is likely that the mine ceased to be operated at about that time; however, the mine may have been operated and not reported or operated and reported under another name following 1941.

Descriptive information pertaining to this mine is included in:
